

Are you concerned about claustrophobia at your MRI exam?

Radiology Regional Center offers the following options for claustrophobic patients:

- A. Patients can reschedule appointment to Espree-Large Bore magnet at the following locations:**
1. 805 Del Prado, Cape Coral
 2. 6100 Winkler Road, Ft. Myers
- B. Oral sedative of Valium if you meet the following requirements:**
1. You must have a driver
 2. No prior allergies to Valium
 3. If rescheduling appointment with Valium notify scheduler and arrive 45 minutes prior to exam time.
- C. Full sedation with the guidance of our staff Nurse Anesthetist.**
1. This service is offered on Wednesdays at our Del Prado location, and Thursdays at our Winkler Road location.
 2. Patient must obtain a prescription for IV sedation along with their MRI.
 3. Patient must have a driver
 4. Exam must be scheduled in advance and meet the medical safety requirements for IV sedation defined by the nurse anesthetist.
